Exposure for listings on Chicagoland2to4Flats.info

If we take your listing, we will provide exposure on what we think can easily be claimed to be Chicago's leading website for multi-unit buyers. Specifically we will provide your listing these elements of exposure:

- Featured listing on the site for 30 days
- Online ads hyperlink directly to the listing (Trib, Reader, Realtor.com, etc.)
- Property promoted and literature passed out at each seminar

For 30 days, we will feature your property on our website. We rotate which listings appear on our home page, but for that time will always at least feature your listing on our Property Search page—with a picture, short description, and hyperlink to the full listing sheet and virtual tour.
